

Dear Shareholder,

Please find enclosed the Notice of the Annual General Meeting (“AGM”) of Echo Energy plc (the “Company”) to be held at the offices of Link Group, 6th Floor, 65 Gresham Street, London EC2V 7NQ at noon on Monday, 27 June 2022.

Whilst the Company will be publishing its annual results for the financial year ended 31 December 2021 by 30 June 2022 the Company has decided, following Covid-19 induced delays to the local Joint Venture audit process, to defer the presentation of the report and accounts, auditor appointment and auditors’ remuneration resolutions to a separate general meeting which will be held prior to 30 September 2022 to provide shareholders with sufficient time to consider.

This AGM will, in addition to the ordinary resolutions for Director re-appointment and share authorities, convene to ask you to approve three special resolutions in relation to the allotment of shares:

- Resolution 3 – The disapplication of pre-emption rights to enable the Company to award of 78,260,869 warrants to subscribe for Ordinary shares as part of the £660,000 fundraise announced to the Market on 14 January 2022.
- Resolution 4 – The disapplication of pre-emption rights to enable the Company to convert interest into shares in relation to payments due to the Company’s Notes and Debt Facility holders; and
- Resolution 5 – A disapplication of pre-emption rights: (i) for general purposes up to approximately 20% of issued share capital and (ii) in connection with a pre-emptive offer to holders of ordinary shares in proportion (as nearly as may be practicable) to their respective holdings of such shares.

As announced on 30 March 2021, the Company’s Luxembourg listed EUR 20.0m 8.0% secured loan notes (the “Notes”) and the Company’s EUR 5.0m 8.0% secured convertible debt facility (the “Debt Facility”) have been successfully restructured and all cash interest payments on the Notes and the Debt Facility due prior to the maturity date of each, may be converted into shares subject to certain conditions being met. The ability of debt holders to elect to receive interest paid in equity was a central element of the debt restructuring.

The equivalent resolution to allow the Company to honour the restructured arrangements for the Notes and Debt Facility for the previous year was passed at a General Meeting held on 7 September 2021 and this authority is due to expire at the conclusion of the upcoming AGM which is why we need to seek authority for the next 12 months. To date, no elections have been received and no shares have been issued for this purpose.

The Board considers it is important that the Company continue to be able to honour the restructured arrangements for the Notes and Debt Facility and, without the successful passing of Resolution 4, this will not be possible.

Additionally, the Board consider the disapplication of the pre-emption rights for the authorities in Resolution 5 appropriate in order to allow the Company flexibility to finance business opportunities and capital requirements should the need arise before the next annual general meeting or 30 June 2023, whichever is the earlier.

Accordingly, the Directors unanimously recommend that you vote in favour of all resolutions, as those Directors who hold shares intend to do in respect of their own holdings.

NOTES:

1. Pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001, the Company specifies that in order to have the right to attend and vote at the AGM (and also for the purpose of determining how many votes a person entitled to attend and vote may cast), a person must be entered on the register of members of the Company no later than close of business on the day that is two days before the time for holding the meeting or any adjournment of it (excluding non-working days). Changes to entries on the register of members after this time shall be disregarded in determining the rights of any person to attend or vote at the meeting.

2. Only holders of ordinary shares are entitled to attend and vote at this meeting.

A member is entitled to appoint another person as his proxy to exercise all or any of his rights to attend, to speak and to vote at the AGM. A member may appoint more than one proxy in relation to the meeting, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by him. A proxy need not be a member of the Company.

You will not have received a hard copy proxy form for the 2022 AGM in the post. You can instead submit your proxy vote electronically by accessing the shareholder portal at www.signalshares.com, logging in and selecting the 'Vote Online Now' link. You will require your username and password in order to log in and vote. If you have forgotten your username or password you can request a reminder via the shareholder portal. If you have not previously registered to use the portal you will require your investor code ('IVC') which can be found on your share certificate. Proxy votes should be submitted as early as possible and, in any event, no later than 48 hours before the time for the holding of the meeting or any adjournment of it (excluding non-working days).

You may request a hard copy proxy form directly from the Company's registrars, Link Group, by emailing enquiries@linkgroup.co.uk or by post at Link Group, 10th Floor, Central Square, 29 Wellington Street, Leeds, LS1 4DL. To be valid, any hard copy proxy form or other instrument appointing a proxy must be received by post or (during normal business hours only) by hand at the Company's registrars, Link Group, 10th Floor, Central Square, 29 Wellington Street, Leeds, LS1 4DL no later than 48 hours before the time for the holding of the meeting or any adjournment of it.

If you are a CREST member, see note 3 below.

3. Alternatively, if you are a member of CREST, you may register the appointment of a proxy by using the CREST electronic proxy appointment service. Further details are contained below.

CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the AGM and any adjournment(s) thereof by using the procedures, and to the address, described in the CREST Manual (available via www.euroclear.com/CREST) subject to the provisions of the Articles. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK and Ireland Limited's ("Euroclear") specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID: RA10) by the latest time(s) for receipt of proxy appointments specified in the notice of the AGM. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service provider(s) should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service provider(s) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

4. Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.
5. Any member attending the AGM has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the company or the good order of the meeting that the question be answered.
6. As at 30 May 2022 (being the last practicable date prior to the publication of this notice) the Company's issued share capital consists of 1,452,491,345 ordinary shares of 0.25p each, carrying one vote each. No shares are held in treasury. Therefore, the total voting rights in the Company as at that date are 1,452,491,345.

7. You may not use any electronic address (within the meaning of section 333(4) of the 2006 Act) provided in this Notice of Meeting (or in any related documents including the proxy form) to communicate with the Company for any purposes other than those expressly stated.

EXPLANATORY NOTES:

8. Resolution 1. This ordinary resolution is to approve the re-appointment of Christian Yates as a Director of the Company. The re-appointment is in accordance with the requirements under Article 67 of the Company's Articles of Association
9. Resolution 2. This ordinary resolution deals with the Directors' annual authority to allot Relevant Securities in accordance with section 551 of the 2006 Act. If passed, the resolution will authorise the Directors to allot ordinary shares or to grant rights to subscribe for or to convert any security into shares (a) up to a maximum nominal amount of £2,178,737. The power granted by this resolution will expire on the conclusion of next year's annual general meeting or, if earlier, on 30 June 2023.
10. Resolution 3. This special resolution 3 will, if passed, give the Directors power, pursuant to the authority to allot granted at the AGM, to allot equity securities (as defined by section 560(1) of the 2006 Act) or sell treasury shares for cash without first offering them to existing shareholders in proportion to their existing holdings up to a maximum nominal amount of £195,653, which authority may be used solely in connection with an issue of shares in connection with an exercise of warrants to be awarded as part of the 14 January 2022 fundraise.
The power granted by this resolution will expire on the conclusion of next year's annual general meeting or, if earlier, on 30 June 2023.
11. Resolution 4. This special resolution 4 will, if passed, give the Directors power, pursuant to the authority to allot granted at the AGM, to allot equity securities (as defined by section 560(1) of the 2006 Act) or sell treasury shares for cash without first offering them to existing shareholders in proportion to their existing holdings up to a maximum nominal amount of £614,332, which authority may be used solely in connection with an election by a debt holder to convert interest payments into shares in respect of the Company's Luxembourg listed EUR 20.0m 8.0% secured notes and the Company's EUR 5.0m 8.0% secured convertible debt facility.
As announced on 30 March 2021, the Company's Luxembourg listed EUR 20.0m 8.0% secured notes (the "Notes") and the Company's EUR 5.0m 8.0% secured convertible debt facility (the "Debt Facility") have now been restructured and all cash interest payments on the Notes and the Debt Facility due prior to the maturity date of each, may be converted into shares at the option of the debt holder (an "Interest Conversion Event"). Resolution 4 seeks the disapplication of pre-emption rights for use in an Interest Conversion Event only.
The power granted by this resolution will expire on the conclusion of next year's annual general meeting or, if earlier, on 30 June 2023.
12. Resolution 5. This special resolution 5 will, if passed, give the Directors power, pursuant to the authority to allot granted by resolution 2, to allot equity securities (as defined by section 560(1) of the 2006 Act) or sell treasury shares for cash without first offering them to existing shareholders in proportion to their existing holdings: (a) in relation to pre-emptive offers and offers to holders of other equity securities if required by the rights of those securities; and (b) in any other case, up to a maximum nominal amount of £726,245. The power granted by this resolution will expire on the conclusion of next year's annual general meeting or, if earlier, on 30 June 2023. The Directors recognise that the level of authority being sought on a non-pre-emptive basis is higher than the threshold proposed by the Pre-Emption Group's Statement of Principles, however, in order to give the Directors sufficient flexibility to ensure that the Company has the necessary tools in place to develop the business it is believed that seeking this higher level is prudent to move the business forward.
